Everything's Connected to Everything:  
Improving the Healthcare of Autistic and ADHD Adults

January 14, 2025

1:01:17

**Transcript**

0:11 well hello everybody I'm Mel Hower I use sh pronouns I'm the executive director of au brain belong and whether you have

0:19 been part of our community for a long time or whether this is your first meeting of us uh welcome we're really

0:24 really glad you're here so um a little bit about us um alins belong we are a

0:30 nonprofit Community Health Organization and uh we're we're really built on the simple yet profound belief that everyone

0:38 deserves to belong and for many of us the world isn't built to support the ways all our

0:45 brains work and for many of us uh navigating Healthcare employment even

0:50 just Community is really overwhelming and awful it can feel really awful and
